

A Little Help

We are delighted to introduce our new Carers in Bedfordshire Hubs. The Hub in Biggleswade will run every third Tuesday of the month.

The Hubs are designed for you to have in person access to our services, information and staff and will also offer our 'Hub Workshops' programme to assist carers to care better for longer. We invite Parent Carers and Adult Carers to benefit from the sessions which are sandwiched in between time with your dedicated support worker either side so that all can join in together and also benefit from peer support.

09:45am to 10:45am – Parents Carers dedicated time with your experienced Parent Carer Support Worker.

11am to 12pm – Parent and Adult Carers are invited to our Hub Workshops which may also be attended by carers not at a group. [Session One info and booking link here.](#)

12pm to 1pm - Adult Carers dedicated time with your experienced Adult Carers Support Worker.

Mini pamper treatments such as footcare, haircuts or massages will be offered at the Biggleswade Hub from 10am to 1pm in September and December. You do not need to be attending the Hub session to book an appointment.

Take a break from your caring role, meet others in similar situations, learn carer coping tips and share your experiences. We look forward to welcoming you all.

There is no charge to attend the Hub. Carers in Bedfordshire is a charity and relies on donations. If you would like to make more activities like this possible for other carers now and in the future, you can do so on this [JustGiving page](#)

Carers in Bedfordshire is a registered charity. We are here to help unpaid carers of all ages, right across Bedfordshire, with information, support and advice. We give voice to their concerns.

Biggleswade Community Group exists to reduce isolation and draw attention to what help is available. If you know anything that we don't, tell us so that we can spread the word and tell others.

UPDATES FROM LOCAL ORGANISATIONS

28 readers went on our Community Group Great Yarmouth trip. We had good weather and good company. It spurred one of our readers, Jan, to pen this thanks to Sam, our excellent driver.

*Our driver, Sam, was just incredible,
Lovely, sweet and nearly edible,
He drove us into Yarmouth town,
Always courteous, never a frown.
Driving such a coach is never easy,
With Sam we never felt queasy,
He drove with the greatest of care,
We never even heard him swear!*

*Departure and return on time,
Some drivers are late, but was on time.
He followed the rules to the letter,
As a driver, he couldn't have been better.*

*We hope talent like Sam is cherished.
Let's hope Cozys stay and do not perish.
We raise our glass and say "Three Cheers"
We wish Sam the very best in future years.*

Monday 7th October **Stuart MacFarlane - Battlefield Pilgrimages**
Up until 1920 the battlefields of France had remained under army control and were mainly closed to visitors. However, by August 1928 over 10,000 people were able to sail from Dover on the biggest ever British Legion Pilgrimage. This talk is inspired by a set of photographs from a visit in July 1929.

If you are involved with a local organisation, send us your updates each month and we will include them if space permits.

To give you a brief insight into Ivel Valley: we are based in Biggleswade town centre, over two sites & provide education to children with special educational needs & disabilities (SEND) across Central Bedfordshire & the surrounding areas. The best thing about Ivel Valley is our pupils! They are incredible & make us proud every day. We are an innovative & inclusive school where the pupils are at the heart of everything we do; we are proud to be a flagship school for inclusion. Preparing our pupils for adulthood underpins our entire curriculum, which was developed in-house & is constantly reviewed to ensure that it meets the needs of all pupils. We have high levels of expectations for all our children & young people & we aim to fully extend their academic & social development.

Our links with local businesses form an integral part of our students learning, particularly in our post-16 college where our talented young people engage in work experience, complete accreditations and learn life skills.

Ivel Valley School & College is delighted to be working in collaboration with many local businesses and organisations. Briefly here are some of the highlights of our academic year.

- Students recently had the opportunity to work with Biggleswade Market to run their own stall. This was part of a wider Enterprise project.
- Biggleswade FC provided a Fun Day for students and their families offering the opportunity for students to watch their first Football game, be team mascots and meet the players!
- Sandy Music Festival dedicated their fundraising this year to the school.
- Our local Police Community Team - Delivering Santa to visit the school, blue lights and siren too!
- Local businesses & organisations participated in our Careers Roadshow providing vital information to our young people for their future options.

Local business, independent & franchises, have given incredible work experience opportunities for our young people.

We cannot thank you enough for your kind gestures & support.

We are always looking for new experiences for our students & look forward to more collaborations together in the future. If you feel you could help in any way with work experience, please contact Dean Hawkins at our College who would be delighted to hear from you.
