The BIGG Theatre is at risk

If you've been on the journey with us, you'll know what an amazing space it has become. It's not just a theatre, it's a place where people connect, feel empowered to create, belly laugh with friends and make new ones.

We are a Community Interest Company run by volunteers and operating an arts space without regular funding is a challenge. Whilst we continue to grow and develop and become eligible to apply for funding we need your support.

We would be so sad if this journey came to an end now, when we still have so much to offer. If you value The BIGG Theatre, please support us by attending our events or donating to our [GoFundMe](https://www.gofundme.com/).

Our November meeting starts the new season for the Group (having held our AGM in October). This month we welcome back **Ray Drew** from Essex, who is looking forward to Spring with a talk titled "**Crocus – up Close and Personal**". Ray is an accomplished grower and exhibitor and also a former Director of AGS Shows. He has been involved with the design and construction of several of the AGS's prize winning gardens at the Chelsea Flower Show. So come along and hear all about Crocuses from an expert!

The meeting will be on **Saturday 23th November**, at **2.30 for 3.00 pm**, in the **Elgar Room** in the **Weatherley Centre**. **Note:** This is the **FOURTH** Saturday, not the **LAST** Saturday.

The cost per meeting for non-members is £5, which includes a cup of tea or coffee and biscuits. But, of course, you're more than welcome to join the group. Annual membership is £10 for a single member and £15 for joint membership and members pay only £2 per meeting.

After November we take a short break from in-person talks and are holding a series of on-line talks by ZOOM over the winter months. More details on our website: www.bedfordshirealpines.com

WARM SPACES IN BIGGLESWADE

New times for
Winter
2024/2025

A warm space is a friendly, comfortable environment where people can feel safe and at ease.

Warm spaces are being established across the country to support people with the cost of living crisis during the winter months.

Anyone is welcome to access them regardless of their background or their circumstances, you can just turn up.

The exact offerings vary by location but in Biggleswade you can always find a warm welcome. Details of what is on offer are below including: free laundry services, hot drinks, WiFi and kitchen facilities.

I enjoyed the social side of the warm space. Everyone was welcoming and friendly, and I got my washing done while having a cup of tea and a chat.
